The luxurious Aquila 44 Power Catamaran is a world leader in its class. Designed to be both a long-distance cruising yacht and a wonderful platform to entertain guests, the highly experienced Aquila design and engineering team created the Aquila 44 Yacht to optimize performance and functionality. Relying heavily on past experience and knowledge of how owners use their boats, the attention to detail in both the exterior and interior spaces are perfected to serve those purposes. The stairway from the flybridge to the foredeck gives safe, easy access to the ground tackle locker and forward cleats when anchoring or docking while wide side decks and safety handrails also allow guest to move about safely. It is a truly amazing platform for comfortable live aboard cruising.
