### Description

ICE II represents the epitome of a well-maintained 43' Azimut Atlantis vessel, with a meticulous record of expenses kept through an open checkbook operation.

Her impeccable condition is a testament to the unwavering dedication of her captain. The vessel boasts a two-stateroom and two-head layout, making her an ideal choice for local cruising, day trips, or short journeys to the Bahamas.

The boat is user-friendly and can be operated effortlessly by a single owner. Equipped with twin Volvo D6 diesel engines, ICE II is an economic choice with an impressive 26/27 knot cruise speed and minimal fuel consumption of roughly 35 gallons per hour. Some of the vessel's notable attributes are listed below.
