Description

2024 RECENTLY DELIVERED TO OWNER. DELIVERY OPTIONS AVAILABLE. US SPEC.

The 68 Fly is part of the new Azimut design by Alberto Mancini. This yacht is fitted with custom Esthec deck flooring and custom grey wood salon flooring. A beauty!

A refined lifestyle-tailored statement, the ingenious Fly 68 is all about transforming onboard living spaces into a uniquely personal affair. The three main deck compositions available are conceived to express diverse and particular living preferences through clever design choices, from the proud presence of an upfront galley, suggesting an openly informal attitude, to the privacy-seeking intention of a more secluded kitchen and crew area. It's time to embrace the true pleasure of possibility with Fly 68.
