Description

2021 Azimut Verve 47

Described by Azimut as “a European alternative to the US center console...as a different type of dayboat blending American performance with Italian styling.” And that it does! Not only great handling and fast on her Michael Peters designed stepped hull with quadruple Mercury 450hp Racing outboards, the Azimut Verve 47’s cockpit features a sizeable outdoor galley/entertainment console with pop-up TV, BBQ grill, refrigerator, freezer, and an innovative dining table hydraulically lifts from the sole at the seating area. A large section of the port gunwale folds down over the water to greatly expand the cockpit area. The bow offers another well-designed semi-enclosed social area with a U-Shaped lounge, removable table, and adjacent sunbeds. Weekend getaways are comfortable with a premium interior cabin featuring two staterooms, separate head and shower, and spacious central galley/salon area. Highly upgraded, this feature-rich versatile Verve 47 functions well as a primary boat, tender, runabout, or cruiser, and she is a lot of fun!
