Description

*MORE PICTURES COMING SOON!

The 2010 Sunseeker 111' Blue is a masterpiece of design and engineering, incorporating the luxurious lifestyle on the open seas. Crafted in 2009 by the renowned British yacht builder Sunseeker, this superyacht is a symbol of classical magnificence for the maker, combining modern lines, technology and unparalleled comfort.

Blue boasts a stunning midnight blue hull that sparkles in the sunlight. The streamlined profile, accented by stainless steel details, exhibits modern elegance. Its long windows provides much sun light to the interior as well.

Sophistication is the main word when it comes to its interior, refined materials can be found all over the vessel.

Upstairs in the living area is a great space for interaction with guests and family, with a big table to hold meals. The Master Suite is impressive and comfort, comfort that also extends to the other four cabins aboard.

Powered by twin MTU engines and Kohler generators, this Sunseeker Yacht will provide you and your family plenty of great performance to either short or long distance navigation trips along our beautiful coast.
