## Description

### Sport Line Description

The key to understand this project is all in its name "Sport Line" and its sports nature. You get on board through a small platform and then you enter the cockpit from the safe side passage, well protected by an enveloping gunwale. The U-shape sofa with dining table hosts 6 people in true and full comfort. The kitchen with its special furniture helps to corroborate the on-board pleasant atmosphere with its hob, sink and fridge. The spaces on the deck are enriched by the second bow sundeck with adjustable backrests, which can also comfortably host 3 people.
